## LED CANDLE & GLOBE SERIES

## UTOPIA™ LED CANDLE & GLOBE SERIES

---

USHIO's Utopia Series LED candle and globe lamps combine advanced AC LED technology with a unique optic design to provide an elegant and energy efficient option for indoor and outdoor decorative lighting applications.

The Utopia candle and globe lamps use special AC LEDs which allow them to operate with fewer electrical components. This reduces the number of potential points of failure, providing you with a more reliable product. This higher level of reliability is especially important in hard to reach chandeliers and other decorative fixtures.

These dimmable LED candle and globe lamps are designed with a very unique optic that creates an elegant and rich atmosphere. This Utopia series of lamps has a life rated for up to 50,000 hours, and they are approved for wet location operation.

All Utopia LED candle and globe lamps are 120V Warm White (2700K). The Utopia candle is available in an E12 candelabra base, and the G16.5 and G25 globe lamps are available in E26 medium bases.

### FEATURES & BENEFITS:

---

- Energy Saving
- Instant On and Dimmable
- Unique Optic for an Elegant Appearance
- AC LED – Less Components Mean More Reliability
- Wet Location Rated for Indoor or Outdoor Use
- Direct Replacement for Incandescent Candle and Globe Lamps
- Long Life: Up to 50,000 Hours
- Application Friendly: UV Free & IR Free
- Environmentally Friendly: Mercury Free, Lead Free & RoHS Compliant
- 5 Year Warranty

### APPLICATIONS:

---

- Chandeliers
- Ceiling Fans
- Accent Lighting
- Ornamental Lighting
- Decorative Lighting
- Indoor and Outdoor
